This bibliography covers law review articles published, for the most part, after 2010. Articles for which the title is self-explanatory or that concern only a single case, state, statute, or government website, are cited, but not annotated. For older annotations in this Journal, see Barbara Glesner Fines, Elder Law Bibliography, 16 J. AM. ACAD. MATRIM. LAW. 593 (2000). Another excellent annotated bibliography is the one compiled by Judy K. Davis & Karen Skinner, Gerontology and the Law: A Selected Annotated Bibliography: 2009-2011 Update, 86 S. CAL. L. REV. 1389 (2013).
