

# Resolution Children Separated from Parents due to Deportation

Consistent with our goal to promote the best interest of children, that AAML engage in developing resources to protect children and to be a resource for the courts for children separated from their family because of deportation, to include, but not limited to, the emergency custody arrangements, amicus briefs, GAL programs, and partnering with immigration and other lawyers.

Resolution Approved at Board of Governors Meeting, March 17, 2017
